Please have the reception facility provide three 5 foot skirted tables. Our cost is based on providing the number of dance hours in your contract (usually 4). Dinner music (up to 2 hours) is free. If you elect to either not use or cut short the dinner music time that's okay, but extra dance music can not be exchanged for less dinner music for the same cost. Additional dance music is \$55.00 per 1/2 hour or \$100.00 per hour, to be paid before we start the extra time. Make sure to check with the facility first to make sure you can extend the time if you are going past the scheduled stop time. Will you be including the DJ with a meal? Yes \_\_\_ No \_\_\_ We'll call you 5-7 days before the date of your wedding to go over the final details, times and music with you. Thank you very much for your time.

We accept Personal Checks, PayPal, Money Orders, but Cash is preferred and we offer 5% discount for cash
